

The purpose of this event is to provide a fun, end of the season tournament that promotes creativity/originality and also gives skiers the opportunity to enjoy the Northwoods of Wisconsin while participating in a fun and original waterski tournament. There will be awards and cash prizes, but the emphasis of this weekend will be fun and camaraderie.

All-Star Tournament Format

- Each team will consist of 22 total members maximum. This number includes: boat drivers, spotters, dock crew, sound crew, announcers and skiers. Also, there must be at least 4 female skiers. Entry fee is \$250.
- Team members are not restricted to WWSF or USA-WS team affiliations, this is an All-Star Tournament and rosters can be composed of any 22 individuals.
- Each team member will be required to have USA-WS.
- Each show will be limited to 50 minutes of performance time (plus 15 minutes setup and 10 minutes to tear down). * pending USA-WS approval/sanctioning
- Each show will be scored on the basis of 11 acts (instead of the normal 13).
* pending USA-WS approval/sanctioning
- Each team will use the two tournament supplied tow boats and tournament supplied pickup boat (each team will be required to use a minimum of one pickup boat with a driver and a spotter during their show).
- Standard NSSA rules will be used to determine scores (adjusted for eleven acts). However, the final score will include bonus points – 50 awarded for coolest/most original act, voted on by each team (one vote from each team and cannot vote for own team's acts). This final component is to encourage creativity and make the tournament more fun to spectators and participants. * pending USA-WS approval/sanctioning
- Boat Drivers, spotters, sound crew and dock crew can participate on more than one team, but cannot ski or announce in more than one show. Also, if a team is under the 22 person limit and needs spotters, the tournament host will provide capable persons for those rolls.
- There will be a practice session for tournament drivers, in order to “get the feel” of the tournament supplied tow boats and show site. This will be held the day prior to the start of the tournament (time TBA). You may select a time slot for practice when an entry fee is received.
- Seeding will be based on a first come first serve basis. The first team to submit an entry form will get choice of all the time slots, the second team to submit an
